

▶ Application

UC4 type is inside attack type, for AC380V, DC220V voltage and below circuit, for indoor and outdoor public places.

▶ Terms and conditions

- 1) Ambient temperature: -40℃ to 40℃
- 2) Relative humidity less than 85%
- 3) Continuous working duration 5 min. Temperature rise less than 80%
- 4) The operating voltage within ± 10% of rated voltage range
- 5) The insulation resistance is not less than 20MΩ
- 6) Don't use in metal corrosion and breakdown of gas and dust (including conductive dust) environment
- 7) In the absence of rain and snow in places

▶ Technical Data

Type	Rated voltage V		Bell Diameter mm	Sound Level >dB	Power W
	AC	DC			
UC4Z-55	3 6 24	6 12 24	55	65	10
UC4Z-75	24 36 48	6 12 24	75	70	10
UC4Z-100	110 127	36 48	100	75	20
UC4Z-150	220 380	110 220	150	80	20
